What will you do on your journey with WebBeds?

WebBeds is the world's fastest growing provider of accommodation distribution services to the travel industry. Our products incorporate distribution APIs, payment integrations, ERP integration, Data Lakes, User Interfaces, and others. Our search API reach peaks of more than 50.000 requests per second, each one consisting of tens or hundreds of hotels, with continued expansion.

"We design, deliver and support innovative solutions through engagement, collaboration and a fearsome passion for creating customer value" is our mission as an IT organization.

With this in mind, we strive to be at the leading edge of technology when it comes to build the platform that meets the needs of our Supply partners and customers. This translates to the use of latest technology including .NET Core versions, K8S, microservices architecture, clouds hosting and orchestration, CI/CD pipelines, automated testing, Proactive monitoring, and alerting systems, to name a few.

Our delivery teams have the creativity and freedom to express themselves by building innovative solutions to often complex problems and are challenged to reach higher levels daily. Our teams consist of product owners, QA engineers, Software Engineers, and people from across the business all working collectively and collaboratively. We have a very strong technical team from which you will be able to learn, but are encouraged by new ideas and fresh thinking that you will bring with you.
